Subject: Re: iowasportingclays News - State Shoot Hotel Alert

Julie Hogenson here from Chase The Adventure,

After receiving your email about hotel availability for the State Shoot I did some calling around and blocked off some rooms for our shooters. See the list below, Anyone reserving these rooms MUST mention Chase The Adventure or the Iowa State Shoot in order to book. All reservations should be made before June 15th as they will be released to the public after that date!! I have also included a list of campgrounds and hotels in Prairie Du Chien and Fayette that I didn't call. You have New Hamptons info already. I tried to keep the list of blocked rooms within 1/2 hour drive from here.

I hope this helps,

Please let me know if there's anything else I can do to help.
